For consumer account used primarily for personal, family or household purposes, we will investigate your complaint and will correct any error promptly. If we take more than 10 business day to do this (or 20 days for new accounts), we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

A hold for uncollected funds may be placed on funds deposited by check or similar instruments. This could delay your ability to withdraw such funds. The delay, if any, would not exceed the period of time permitted by law.
